OUR PURPOSE

**CREATING
TIMELESS
BATHROOMS**

**WITH CARE,
TRUST AND
SPIRIT**

At **VADO** we are dedicated to crafting exceptional bathroom products guided by our core values of Care, Trust, and Spirit. With a focus on eco-friendly innovation and uncompromising quality, every product undergoes rigorous testing to guarantee lasting durability and reliability. You can trust us to deliver outstanding solutions for your home, because it's not just what we do, but how we do it that sets us apart.

Our mission is to be the most loved bathroom brand, fostering strong partnerships and exceeding expectations. With a focus on sustainability we are dedicated to achieving Net Zero by 2040, constantly evolving to deliver products you'll love for a lifetime.

**WE CARE ABOUT OUR
CUSTOMERS, OUR PEOPLE
AND OUR PLANET**

YOU CAN COUNT ON OUR PRODUCTS, SERVICE AND EXPERTISE EVERY TIME

CRAFTED WITH **UNWAVERING PASSION**, OUR PRODUCTS ARE A CELEBRATION OF EXCELLENCE

YOUR JOURNEY STARTS HERE

INTRODUCTION

6

Our Consumer Guide aims to provide the perfect starting point for gaining inspiration and advice for selecting stylish brassware for your home.

TAPS

12

Our collection of bathroom taps and kitchen mixers include designs to satisfy all tastes. Ranging from mono basin and wall mounted basin mixers to pillar taps and infra-red, we have the perfect style for you.

SHOWERING

104

Our extensive range of **VADO** showering products includes everything from industry leading thermostatic valves to high quality shower columns and handsets.

Need Inspiration? Why not visit our get the look pages on 92

WASTES, TOILETS AND FLUSH SYSTEMS

180

Complete your bathroom with coordinating brassware essentials including colour matched basin wastes, bath overflows, flush plates, cisterns and toilets.

ACCESSORIES

190

Finish off your bathroom with our stylish and functional bathroom accessories, including shelves, robe hooks, soap holders, paper holders and mirrors.

WE ALSO DO FURNITURE

Applying our knowledge and expertise we have developed a collection of products to serve the whole bathroom, to deliver a seamless finish across brassware, furniture, basins and mirrors. Scan the QR code to find out more.

A PERFECT CHOICE FOR **YOUR** **HOME**

CREATE YOUR DREAM BATHROOM

At **VADO** we believe in turning the ordinary into the extraordinary. Our products are beautifully designed for those looking to make a statement with their bathroom and expertly engineered to keep up with the demands of modern living.

For complete peace of mind, we offer a reassuring 15 year guarantee on a wide product range, from contemporary to traditional and everything in between. Picking up this **VADO** catalogue brings you one step closer to completing your dream bathroom.

A NAME YOU CAN TRUST

Even if you have not heard of our name, you will have definitely used our products, as **VADO** lives in some of the most prestigious hotel, commercial, and residential developments across the world.

A SUSTAINABLE SOLUTION

VADO are proud to craft products that seamlessly blend exquisite design with an indulgent user experience, all while championing sustainability. Expertly engineered to conserve water and minimise consumption, our innovative solutions protect precious natural resources, reduce utility bills and pave the way for a greener, more sustainable future.

Together, we can make every drop count.

WATER AND
ENERGY SMART
BRASSWARE

H₂ECO®

Look out for products with this H₂ECO® to be confident you are fitting the best in water smart brassware, providing immediate savings on your water and energy bills without compromising performance.

HONEYCOMB AIR
AERATOR

ECOturn®

Our ECOturn® technology minimises hot water waste by encouraging you to use cold for simple tasks, reducing boiler usage, saving energy and extending boiler lifespan - helping you save money effortlessly.

HOME COMPATIBILITY

Our products are compatible with all household plumbing systems for easy installation.

Throughout this brochure, we've indicated which products are suited for:

LP (Low Pressure, 0.2 - 0.5 bar) **MP** (Medium Pressure, 1 - 1.5 bar) **HP** (High Pressure, 3 bar) For assistance in identifying your water pressure, our Aftercare Team can be contacted: aftersales@vado.com

Not sure where to start?
Check out our get the look style guide on page 92 for inspiration.

TIMELESS ELEGANCE

Looking for traditional brassware? We offer a dedicated collection of period-inspired bathroom products that capture the elegance of a bygone era. Booth & Co. designs exude the timeless appeal of Victorian styling, with every intricate detail crafted to reflect the ornate beauty of the period.

ELEMENTS

The classic crosshead handle with a modern twist. Creating a striking, contemporary and elegant collection that subtly nods to transitional bathroom design. Tactile and intuitive for precise temperature and flow control, the refined cross-shaped handles create a bold contrast to the sweeping spout; especially when paired with one of our four statement brushed finishes.

PHASE

The tapered angles of this eye-catching collection bring a note of boldness to the bathroom. A strong design that cleverly fuses cubic forms with calming curves to create a look that is both strong yet sophisticated.

The Phase collection works particularly well with square or rectangular basins. The gently contoured angles and simple flat surfaces work in-sync demonstrating the quality of this innovative design.

Universal Basin Waste

WG-395-SBR
£70

www.vado.com/comeo

A modern bathroom featuring a wall and floor covered in blue and white floral patterned tiles. A wooden vanity unit with a white sink and a black faucet is mounted on the wall. A round mirror with a gold frame is mounted above the vanity. A white toilet is positioned to the right. A red door is visible on the right side of the frame. A wicker basket hangs from the ceiling, and a potted plant is visible on the left.

Create a feature with a pop of colour, patterned or unconventional shaped tiles.

Mirrors are an essential addition, to create the illusion of space and light.

A floating vanity unit adds functionality whilst neatly optimising the space you have.

Why not paint your woodwork in a statement colour to tie your entire scheme together?

COASTAL VIBES

GET THE LOOK

Coastal bathroom styling captures the essence of a seaside retreat. Using a colour palette of whites, greys, blues, and sandy tones paired with wooden elements for warmth. Nautical inspired touches such as rope or marine-inspired artwork can enhance the theme.

Wall panelling in the bathroom adds a touch of classic elegance and texture. Whether it's beadboard or sleek panels, this design element can transform walls, to create visual interest.

Leverless Mono Basin Mixer

www.vado.com/cameo

Our cove blue vanity and colour matched basins were the obvious choice for this subtle coastal and serene design scheme. Pairing it with the neutral tones of matt white brassware for a stylish and balanced look.

Our cove blue basins bring a bold and refreshing statement to this bathroom; the perfect way to add character and a pop of colour.

Strategically placed mirrors are great for reflecting light helping to create a bright and airy atmosphere.

BOUTIQUE BATHING

GET THE LOOK

Create a spa-like atmosphere that makes you feel like you're on a getaway every time you step into your bathroom. Bathing spaces of this nature are all about luxury and functionality, think sleek fixtures, plush towels, and a rainfall showerhead for that extra touch of indulgence.

A wet room shower screen brings a contemporary and open feel to your bathroom, allowing the shower area to seamlessly blend with the rest of the room. We've chosen a frameless screen from Merlyn to enhance this bathing space.

Wash the stresses of the day away in a freestanding bathtub or a spacious shower, this space is designed for self-care allowing you to indulge in moments of peace and rejuvenation.

JAPANDI-INSPIRED

A Japandi-inspired design scheme exudes a sense of calm and balance; its muted and neutral colour palette is the ultimate companion for our rich brushed bronze finish, creating a serene and peaceful atmosphere.

The essence of a Japandi bathroom lies in a harmonious blend of nature's simplicity and modern practicality. Achieve this by thoughtfully balancing functionality with aesthetics, emphasising clean lines and meticulous organisation.

Basin Mixer + Pop-Up Waste

IND-ELW101F-BRZ
£475

Universal Basin Waste

IND-395-BRZ
£75

Handset with Hose + Integrated Outlet Bracket

IND-SFMKW0/RO-BRZ
£200

Pair soft whites, beiges, taupes, and clean organic shapes with pops of colour from brassware, floor tiles or wooden accents.

Open shelving made of wood or stone for displaying minimal, functional items and discreet cabinetry to keep clutter out of sight.

Introduce soft linen or cotton towels in neutral shades and greenery like bamboo, ferns, or small potted plants for a natural touch.

Accessorising with handcrafted items, such as pottery, woven textiles, and other artisanal objects will help to add texture and character to your bathing space.

For those
memory making
moments...

MERLYN™

LUXURY SHOWERS FOR EVERY HOME

HOME COMPATIBILITY

Our products are compatible with all household plumbing systems for easy installation.

Throughout this brochure, we've indicated which products are suited for:

LP (Low Pressure, 0.2 - 0.5 bar) **MP** (Medium Pressure, 1 - 1.5 bar) **HP** (High Pressure, 3 bar) For assistance in identifying your water pressure, our Aftercare Team can be contacted aftersales@vado.com

Need help identifying your plumbing system? Take a look at our helpful guide on page 220.

ZONE®

Introducing Zone, the industry's first all-flush, push-button thermostatic valve with patented low-profile temperature control technology. The perfect solution for a minimalist aesthetic with easy to clean benefits.

Zone is intuitive to use, easy to fit and flawless in design.

For further information visit
www.vado.com/zone

Scan to

- Patented technology for a truly sleek aesthetic; the only TMV without protruding temperature controls.
- Engaging and intuitive operation via all brass, push button controls; quality you can see and feel with every use.
- Precision engineered to provide impeccable water temperature blending, ensuring the safety of all users for the perfect experience every time.
- Temperature control encircled by an ergonomic recess, to gently guide users onto the tactile, linear knurled dial for total connectivity and operation.
- Discreet, 4mm button projection whilst in use and a slim 6mm blackplate to maintain the clean aesthetic.

Zone has been designed with ease of fit, function and performance in mind, starting from the moment the installer opens the box to when the valve is ready to use.

ZONE®

For a luxurious style statement all Zone valves are available in one of our four premium, brushed Individual finishes as standard. For a bolder and more personalised look, why not customise your valve by swapping out the Halo in an alternative colour, available in four brushed or high shine finishes.

1 FLOW CONTROL

2 TEMPERATURE CONTROL

DX CONTROL EXPLAINED

- 1 Independently controls the flow of water for up to two outlets.
- 2 Coupled with a buttonless 38° temperature stop, our leading thermostatic technology ensures temperature stabilisation to prevent scalding and sudden pressure fluctuations for the safety and protection of all users.

Easy to use and easy to fit, the DX valve is truly the fitter's friend – designed to make installation quick and easy.

KEY FEATURES

- Leading thermostatic technology
- Safety from temperature fluctuations
- Buttonless 38° temperature stop
- Max pre-set temperature and auto shut-off
- Polymer thermostatic cartridge
- Contemporary designs
- Available in ten styles
- Ergonomic soft-turn handles
- Compatible with showers and bath fill
- Bleed valve fitted as standard for ease of installation

SHOWERING PACKAGES

We know there is a lot of choice when selecting a shower, so we have simplified the process for you. A selection of easy to order showering packages, combining our favourite product combinations under one, easy to order code. **Find your ideal shower solution over the next few pages.**

THE RIGHT SHOWER FOR YOUR SYSTEM

Not sure what your water pressure is? Contact your local plumber, who can easily check your system for you, or use our **handy system identification guide on page 220.**

TABLET i0 SHOWERING PACKAGES

The horizontal format lends itself effortlessly for installing over a bath yet looks equally alluring in any showering space.

We have created a selection of packages that celebrate the versatility of Tablet i0 for both use as a luxurious shower over bath scenario or an invigorating shower essential.

Tablet VS DX Explained

See page 146

IMMERSE YOURSELF IN SHOWERING LUXURY

Tablet iO is the perfect choice for adding a style statement to your bathroom, uniting the best in British design engineering with a wealth of features.

With all the performance benefits of our popular Tablet valve collection, the Tablet iO includes a sleek integrated shower kit to provide the ultimate showering experience the whole family can enjoy.

Available in 3 outlet or 2 outlet options, with a choice of round or square trim.

This collection is not just sleek, it is practical too with a compact design and exceptional functionality, as standard:

- Luxurious soft-turn handles
- Exceptional safety from temperature fluctuations
- Excellent flow rates, even at low pressure
- **all-flow** function
- Bath fill with a combi boiler at 1.0 bar

DX VALVE

Available in ten styles and compatible with all VADO collections, the DX Valve is VADO's next generation thermostatic shower valve, designed to make installation quick and easy.

You can find DX Valve Showering Packages on pages 136-142.

TABLET VALVE

Tablet's exclusive  technology delivers water to each outlet independently or all outlets simultaneously, ensuring a fully immersive showering experience even at low pressure.

You can find Tablet Valve Showering Packages on pages 130-135.

	TABLET	DX
Collection	OMIKA ALTITUDE NOTION	NOTION ORIGINS MIX² LIFE CELSIUS CAMEO PHASE PHOTON ELEMENTS
All-Flow technology that allows 2 outlets to operate simultaneously using a 2 handle valve		
Limescale resistant for easy cleaning		
Cold water shut off at 46 degrees		
Advanced 25mm depth tolerance	75-100mm	70-95mm
Tile-to mortar guard included with markings		
Thermostatic cartridge technology to stabilise temperature fluctuations		
Shower using a gravity system		
Contoured, low-resistance waterways for class-leading performance		
Flat back plate for solid, secure mount		
Screw-on shrouds and slide-on plates for a secure second fix		
Push-fit shrouds allowing angular adjustment for pitched walls		
Easy access isolation points for easy maintenance		

SHOWER COLUMNS

Shower columns are easy to install, complete thermostatic shower systems available in round and square designs. Models with diverters come with a shower handset in addition to a fixed shower head.

SQUARE SHOWERING

Timeless and versatile, square showering ancillaries bring a bold yet balanced aesthetic to any bathroom design. From clean-edged shower heads to angular arms, these pieces are thoughtfully crafted to complement a range of interiors. Whether your style embraces modern minimalism, industrial chic, or classic refinement, square profiles exude a confident sophistication that makes a striking statement while seamlessly integrating into your space.

Pop-Up Bath Filler
Waste + Overflow

Clic-Clac Bath Filler
Waste + Overflow

Enjoy your shower without
a prominent bath filler tap
compromising space.

KEY FEATURES

- Integrates overflow waste and bath fill functionality
- Compatible with all Tablet and DX valves ensuring thermostatic operation*
- Compatible with all 3 Hole Deck Mounted Bath Shower Mixers without Spouts
- Available in round and square designs
- Small, refined profile guarantees minimalist appearance

AVAILABLE IN

- CHROME
- MATT BLACK
- MATT WHITE
- SATIN BRASS

BATH FILLER WASTES WASTES

DID YOU KNOW?

If you have a shower over the bath, you can thermostatically control your shower and your bath using any of our concealed valves.

Visit pages 106-125 to select your valve.

Controlled by either wall or deck mounted valves, our family friendly bath filler wastes remove the need for protruding bath spouts for a streamlined finish.

The bath filler wastes' minimal, compact design guarantees a simple style statement.

FLUSH SYSTEMS

VADO's cisterns and frames have been designed to save water, maximise space and offer installation flexibility for a variety of bathroom layouts.

Our pneumatic flush plates are available with round or rectangular button options and colours from high-shine chrome to our premium Individual brushed finishes, for a coordinated bathroom design.

For further information visit
www.vado.com/flush-systems

Scan to
Discover More

The short cistern is a versatile choice for the modern bathroom, as the flush plate can be mounted to the front or the top of the frame.

Wall mounted plates
on all frames.

KEY FEATURES

- Compatible with most toilets
- Supports up to 400kg due to robust frame
- Adjustable frame height up to 250mm
- Ideal for compact wall-hung pans to maximise space
- Short cistern includes a compact holding frame for easy stud wall installation
- Complies with EN 14055:2018 standards
- Features WRAS-approved components for reliability

AVAILABLE IN

- CHROME
- MATT BLACK
- MATT WHITE

JARGON BUSTER

Whether you're a seasoned designer or a first-time renovator, this handy resource will make it easier

to navigate the terminology helping you to make confident decisions for your dream bathroom.

KNOW YOUR TERMINOLOGY

PLUMBING AND WATER PRESSURE

Flow Rate The volume of water that flows through a fixture, measured in litres per minute (LPM).

Thermostatic Mixer A shower or tap that automatically maintains a stable water temperature by balancing the mix of hot and cold water.

INSTALLATION AND DESIGN TERMS

First Fix / Refers to different stages of installation.

Second Fix First fix is the initial plumbing work (pipework and framework), while second fix involves fitting the visible fixtures (taps, showers, toilets).

Wet Room A fully waterproofed (tanked) bathroom where the shower is open and drains directly into the floor.

Cistern The tank behind a toilet that holds water for flushing.

Wall Hung Sinks, toilets, or furniture that are mounted on the wall, giving a floating appearance and saving space.

Freestanding Bath A bath that is not attached to walls or a surround, providing a more luxurious and flexible design choice.

HEATING TERMS

Heated Towel Rail A radiator designed specifically to heat towels while also warming the bathroom.

ELECTRICAL TERMS

IP Rating Ingress Protection rating. The two numbers indicate the protection level of electrical fixtures (e.g. lights) against dust and water. Higher numbers mean more protection.

**Zone 1/
Zone 2** Refers to the safety zones in a bathroom where electrical fittings can or cannot be installed.

FIXTURES AND FINISH TERMS

Matt/Gloss Finish Refers to the sheen level of taps, tiles, or surfaces, with matt being flat and non-reflective and gloss offering a shiny, reflective look.

**P-Trap/
S-Trap** Plumbing fittings designed to prevent odours by trapping water in a curved pipe under sinks and toilets.

Basin Waste The plughole mechanism for draining water from a sink, often available as slotted or unslotted depending on basin design.

GENERAL DESIGN TERMS

Water Saving Technology Features like flow regulators and aerators designed to reduce water consumption without sacrificing performance.

Dual Flush A toilet flush system that provides two options for water flow (full flush and half flush), helping conserve water.

GENERAL TAP TERMS

Mixer Taps Combine hot and cold water through a single spout, allowing you to control the temperature easily.

Pillar Taps Traditional taps with separate hot and cold spouts. Each tap controls either hot or cold water individually.

Wall Mounted Taps Taps that are fixed to the wall rather than the basin or bathtub.

Freestanding Taps Tall, floor-mounted taps, often paired with freestanding baths.

Monobloc Taps A single unit with one handle or lever that controls both the flow and temperature of water.

Three Hole Taps Consist of three separate pieces; two handles (one for hot, one for cold) and a central spout.

Deck Mounted Taps Fits directly onto the bath or basin.

Sensor Taps Taps that use motion sensors to activate water flow, often found in public restrooms but also available for home use.

Bridge Taps These taps feature two separate handles for hot and cold, connected by an exposed bridge or pipe.

Clic-Clac / Pop-Up A built-in mechanism to open or close the plug to contain or drain water from the basin or bath. A modern alternative to the traditional plug and chain.

PLUMBING IDENTIFICATION

Before you spend money on your bathroom products it's essential to identify the plumbing system in your home. This will help you choose a shower product that ensures optimal water flow and the best overall experience.

Simply contact your local plumber, who can easily check your system and confirm your water pressure for you or use our handy system identification guide.

THE RIGHT SHOWER
FOR YOUR SYSTEM

1 GRAVITY LP
0.2 - 0.5 bar

You will typically find a hot water cylinder in the airing cupboard and a cold water tank in the loft. If you are running this system, without a Pump, you can choose any shower with the **LP** symbol.

2 COMBI MP
1.0 - 1.5 bar

Combination boilers, usually located in the kitchen, instantly heat mains fed cold water and do not require storage tanks.

For this system, you can choose any shower with the **MP** or **LP** symbols.

3 PRESSURISED HP
3.0 bar

If your system is an unvented cylinder, a hot water cylinder will usually be in the airing cupboard with a pressure vessel on top.

For this system, you can choose any shower with the **HP**, **MP** or **LP** symbols.

4 PUMPED HP
3.0 bar

For this system, a booster pump will draw water from a hot water cylinder in the airing cupboard and a cold water tank in the loft.

For this system, you can choose any shower with the **HP**, **MP** or **LP** symbol.

For gravity fed systems the booster pump will enhance water pressure.

CATALOGUES

If you'd like to explore more of the **VADO** brands, all of our catalogues are available as PDFs on our website or you can contact our Customer Support Service team, as well as your local **VADO** stockist for printed copies.

BATHROOM SOLUTIONS BOOK

A comprehensive collection of brassware, bathroom furniture, basins and mirrors that delivers a seamless finish across the whole bathroom.

BOOTH & CO.

Inspired by Victorian design, Booth & Co. introduces a distinctive collection of traditional taps, showers and accessories.

VISUALISE OUR PRODUCTS IN 3D

STEP 1 BROWSE

Visit the **VADO** website to discover the variety of styles and designs we offer.

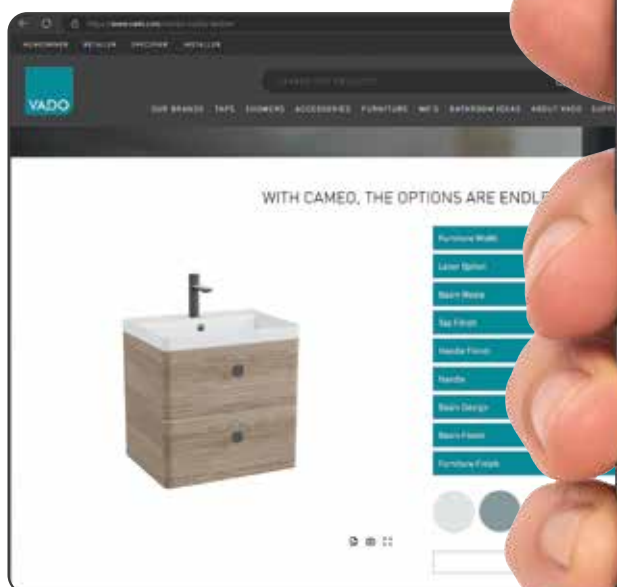

STEP 2 360 VIEW

Whilst you are browsing your favourite **VADO** products, click the 360° button on any product page to view a 3D model of our products at every angle.

STEP 3 EXPERIENCE

Undecided on style or finish? Why not view **VADO** products in your bathroom before purchasing. Simply click the AR button (📦AR) on your selected product, place the 3D model on your basin, bath or wall to bring your bathroom design to life.

We offer an **easy-to-use vanity builder**, allowing you to mix and match pieces from our Cameo collection to create your perfect solution.

GUARANTEE

All VADO products come with a 2 year guarantee as standard. Within this guarantee period VADO will provide replacement parts and any labour [SEE NOTE 1] needed to complete the product repair.

This standard guarantee may be extended by registering your product to give up to a 15 year guarantee period. Once registered:

VADO chromed brassware and stainless steel products have a 15 year guarantee (2 years parts and labour plus 13 years parts only).

Brassware products from the Individual by VADO collection have a 15 year guarantee (2 years parts and labour plus 13 years parts only).

Booth and Co. chrome and nickel brassware products have a 15 year guarantee (2 years parts and labour plus 13 years parts only).

VADO powder coated brassware products, Matt Black, Matt White and Satin Brass, have a 10 year guarantee (2 years parts and labour plus 8 years parts only).

VADO i-tech products have a 5 year guarantee (2 year parts and labour plus 3 years parts only).

All other VADO products have a 3 year guarantee (2 years parts and labour plus 1 year parts only) [SEE NOTE 2].

GUARANTEE CONDITIONS

Our products are guaranteed against manufacturing defects from the date of purchase until the expiry of the relevant guarantee period shown above.

The guarantee is only valid if:

1. The product has been installed, used and maintained (maintenance guidelines can be viewed here) in accordance with VADO's instructions and subjected to normal use only.
2. The defect is not due to use of an unsuitable or inadequate water or power supply.
3. The defect is not due to accident, misuse, neglect or incorrect/inappropriate repair (other than by VADO or VADO authorised agents) or damage caused by foreign objects or substances.
4. The extended guarantee is only available if you have completed the Guarantee Registration Process. This can be done via the VADO website or via phone to our aftersales team.

Registration must be completed within 6 months from date of purchase. Under the extended guarantee period VADO will, at its option, offer to supply any replacement product (or component part) assessed to be defective [SEE NOTE 3].

The guarantee (whether standard or extended) is non-transferable to any subsequent owner.

All claims under the guarantee should be notified in the first instance to our Aftersales department, contact details below, this must be done no later than the last day of the relevant guarantee period. All claims must be accompanied by proof of purchase (sales receipt or delivery note) from an official VADO dealer.

The guarantee does not extend to any consequential loss or damage.

After repair or replacement, the relevant guarantee period will be calculated from the original date of purchase.

VADO operates a policy of continuous product development and therefore reserves the right to change the product, packaging and documentation specifications without notice.

NOTES:

[1] Labour via our engineer network is only available in the UK. Attendance by a VADO engineer or sub-contract engineer will be under our standard terms and conditions.

[2] VADO spare parts and shower hoses are under a parts only guarantee.

[3] VADO reserves the right to charge in advance for a product (or replacement part) pending collection and investigation (at VADO expense) to confirm a defect is due to a manufacturing issue. If a defect is found the charge will be refunded or cancelled.

This guarantee is in addition to and does not affect your statutory rights as a consumer.
